Dear \_\_\_\_\_,

This is your Satisfactory Academic Progress Report for \_\_\_\_\_.

Based on current SAP policy you have failed to maintain a term or cumulative gpa of 2.0 and are now in a denial status for financial aid purposes.

**GRADE POINT AVERAGE:**

Students must maintain both a term and cumulative 2.00 GPA. You achieved a \_\_\_\_\_ term gpa and a \_\_\_\_\_ cumulative gpa.

In order to continue to receive financial aid for the following term you must agree to the following:

I will achieve a 2.0 term/cumulative gpa during my next term of enrollment.

If I do not meet the 2.0 term/cumulative gpa requirement, I am aware that I will be in a denial status for financial aid purposes and would have to file an appeal for future financial aid.

Please sign below and keep one copy for your records.

This review is based upon your most recent academic transcript. If you believe this information to be in error or have any questions, please email the Office of Student Financial Aid (OSFA) at [sapappeal@wsu.edu](mailto:sapappeal@wsu.edu) or call 509-335-9711.

If you were enrolled in Distance Degree, Consortium, or Study Abroad courses for your most recent term of enrollment these course grades may not yet be posted and therefore may negatively impact your SAP status. If you find problems in your credits completed or your GPA, please check the WSU e-InfoCenter or My DDP web site to verify that your grades have been posted correctly.

Federal and state regulations require students to maintain Satisfactory Academic Progress (SAP) towards completion of their degree in order to remain eligible for financial aid. The requirements for maintaining SAP are listed in the WSU Time Schedule, on the Financial Aid web site and in the Financial Aid Award Handbook you may have received previously.

Washington State University supports your academic success and offers academic assistance, including tutoring and advising through the Student Advising and Learning Center (SALC), 260 Lighty Student Services Building, 509-335-6000 or your local student support services office.

**CLEARING YOUR ACADEMIC DEFICIENCY HOLD WITH SALC DOES NOT MEAN FINANCIAL AID HAS BEEN REINSTATED. LIKEWISE, CLEARING A HOLD WITH FINANCIAL AID DOES NOT MEAN YOU HAVE BEEN REINSTATED TO THE UNIVERSITY.**
